20 General remarks regarding the state of the Bank

I think the members of this Bank are needlessly putting off the repayment of the loan, under the idea that no term is fixed for the same. It is the duty of the Bank to have the loans settled as early as possible. Of late in the last six months, the same is not settled, the withdrawal of the loan will have to be recommended.

Office Draft.

Progs. of the Govt. of H. H. the Maharaja of Mysore.

Read:

Letter No 469 of 30.6.03 from the Inspector of Agricultural Banks, submitting the report on inspection made by Mr. Kumaraswamy Naidu, Asst. Commissioner of the Agricultural Bank at Attibelle, Devanhalli Taluk, Bangalore District

Order: No

Recorded with the following observations-

1. Regarding repayment of Govt advance, the inspecting officer reports that no term is yet fixed that the matter is said to be still under correspondence and that only Rs 550 have been paid up to date. From letter No 636 of 12. from the Deputy Commissioner Bangalore District, to Govt., it is clear seen that a uniform period of ten years has been fixed for the repayment of Govt loans in the case of all the banks

District and that the decision of the D.C. has been intimated to the Presidents of the banks. The ~~above decision~~ action taken was also approved by Government in their Order No 2067-76/10.11.02. RF 38-00

The inspecting officer is therefore entirely wrong in stating that no arrangements have been made for the repayment of the loan within a definite period. The Deputy Commissioner is requested to ~~see that Rs 14,50/~~ the amount of ~~instalments~~ which fell due ~~on 1st & 2nd of June~~ 03 is ~~received~~ ~~certain~~ ~~early~~ ~~take~~ and to direct the ~~special~~ attention of the inspecting officers to the ~~strict enforcement~~ ~~Order of Govt quoted above.~~

to report why repayment was not insisted on accordingly & adopt early measures for the collection of the overdue instalments

2. The bank should be directed not to allow unauthorize disbursements and to make necessary arrangements for the effective and satisfactory auditing of bank accounts.

3. It is reported that 32 defaulters, ~~Notes~~ of whom are office-bearers, and that there appears to be somewhat unhealthy tendency to evade
